Nominations are invited from existing and prospective MAPA® Approved Training Centres (ATCs) to attend our Level 2 MAPA® 'Train the Trainers' Programme. This Programme is a 15-day certificated course run over a 3-week block and will take place in the Stoke on Trent area. The exact venue will be notified to successful applicants closer to the time of the Programme commencing.

The cost of attending the Programme is £1,800.00 per person, plus VAT charged at the standard national rate. Nominating Organisations will be required to settle within 30 days of an invoice being issued*. This fee includes the provision of all course materials and refreshments.

We are anticipating a high level of interest in the Programme and as place numbers are restricted we will allocate places on a 'first come, first serve' basis.

Mandatory Annual Update and Reassessment Courses

All MAPA® Trainers are required to attend an annual update and reassessment course to promote and safeguard professional standards of practice; retain their currency on our database, and fulfil their commitments within any existing or prospective Positive Options MAPA® Approved Training Centre (ATC) License Agreements established between Positive Options and a service provider.

Current BILD (British Institute of Learning Disabilities) national standards require Trainers to be updated and reassessed on a 12-monthly basis (but not exceeding 15 months) and this standard is likely to be strengthened over time with the emergence of further national standards led by Government.

Further information about Annual Update and Reassessment Courses for MAPA® Trainers can be obtained by contacting our Customer Care Team, or visiting our Website: www.positive-options.com
